

BUSINESS MASTERCARD®

Financial Flexibility for Your Company

BUSINESS ESSENTIALS

CAMPUS  FEDERAL®

BECAUSE THERE IS NOTHING SMALL ABOUT THE WAY YOU DO BUSINESS.

The Campus Federal Business Mastercard® gives business owners the flexibility and freedom to build their business. There are many great reasons to open a Campus Federal Business Mastercard®:

— SIMPLIFY RECORD KEEPING

When you use your card for all your business expenses, you'll have a complete and detailed list of business expenses handy—whether it's tax time or any other time you want to review spending.

— SEPARATE PERSONAL AND BUSINESS EXPENSES

For administrative, legal and tax reasons, keeping a separate business-only card makes perfect sense. Plus, you free up your personal card for other purchases.

— TRAVEL WITH CONFIDENCE

Take your Campus Federal Business Mastercard® with you no matter where you travel and know that it is accepted at millions of locations worldwide. Enjoy enhanced security and identity theft resolution services.*

— DREAM BIG

Enjoy a revolving line of credit that allows you to make investments in the growth of your business, without constraining your short-term cash flows.

— REWARD YOURSELF

uChoose Rewards gives you points for everyday spending when you use your Rewards Mastercard®. Earn points to use toward travel awards, gift certificates and more. Register on the uChoose Rewards site, www.uchooserewards.com, and when you're ready to redeem, simply log in to your account, select your reward, and order. Also, enjoy the ability to combine your Business Mastercard® Reward points with your Consumer Mastercard® points.
