

Get paid.
Sell more.
Run your
business better.

Say Hello to Clover

Clover Station

Run your business with our most powerful countertop point-of-sale system.

Clover Mini

Get full-scale point-of-sale functionality in a sleek and compact terminal.

Clover Mobile

Take orders and accept payments on the go.

Clover Flex

Robust functionality.
Ultimate flexibility.
Total simplicity.

Clover Go

Connect via Bluetooth® to accept contactless, EMV®-enabled chip and magnetic-stripe card payments right from your phone or tablet.

Do more with:

Clover Rewards

Show customers how much you care with a customer loyalty program designed to keep them coming back for more.

Clover Check Acceptance

Safely process check and ACH payments at a cost that's typically lower than card acceptance—and with a higher approval rate.

Clover Insights

Turn sales data into information that tells you what works best for your business and how you can grow.

Clover Gift Cards

Give customers a way to share their love of your business by letting them buy, send and redeem gift cards on their mobile devices.

Clover Online Store

Create a professionally designed website, shopping cart and hosting site—all in one place.

The Clover Family

We understand that one size doesn't fit all. That's why Clover offers a full line of solutions designed to complement the unique needs of your business and customers.
