

CAMPUS CLICKSM
Experience The Ultimate Convenience.

CAMPUS CLICKSM

Our remote deposit solution enables you to electronically make deposits from the comfort of your office. Scan your checks, transmit the check images and your funds will be deposited directly into your Campus Federal Business Checking account.

— BENEFITS

- Save time and money by depositing your business checks electronically.
- Enjoy around-the-clock convenience as you can make deposits 24/7.

— FEATURES

- Simple implementation process with personal training from a Business Services team member.
- Businesses with multiple locations will benefit from the low cost, simple check capture process, and advanced centralized reporting.
- Support for single and multiple item deposits — all with same day credit if deposited before the cutoff time.
- Low monthly cost for all businesses.
- Basic requirements — Business Checking Account, approved check scanner, and a PC with Internet access.
